As part of the City Government's effort to mitigate the spread of COVID-19, ALL CINEMAS in Angeles City are hereby directed to temporarily close their operations starting on March 16, 2020 until further notice.

The image shows a formal advisory document. At the top, there are three official seals: the City of Angeles City logo, the seal of the City of Angeles, and the seal of the Disaster Risk Reduction and Management Office. Below the seals, the text "Office of the Mayor" is printed. Underneath that, the word "ANGELES CITY" is written in large, bold, white capital letters. A prominent yellow horizontal band across the middle of the document contains the word "ADVISORY!" in large, bold, black capital letters. Below this band, a statement in black text reads: "As part of the City Government's effort to mitigate the spread of COVID-19, **ALL CINEMAS in Angeles City** are hereby directed to **temporarily close their operations starting on March 16, 2020 until further notice.**" At the bottom, there is a red banner with a heart icon and the name "MAYOR CARMELO 'POGI' LAZATIN, JR." in white text.
